Volume 131, October, 2021

## President's Message Marty Burbank, President

Fellow Roosters,

I just got off the phone with Scott Zimmerman, who has shared the sad news that we lost long-time Rooster Bill "Crash" Kruckmyer to COVID this morning. Bill was one of the most colorful members of the Roosters. He was a Vietnam Navy Aircrew Veteran. I cannot think of Crash without thinking of a trip we took down to Mexico to support the Baja 1000. Something Crash had done many times with fellow Roosters Scott Zimmerman and Bob Krigler. Our trip included Roosters, Troy Smith, Marty Burbank, Bob Krigler, Randy Fine, and of course, our leader, Crash.

It was an adventure we all shared. It may have been Randy's first camping trip, and the first time he ever saw a toolbox, so he was the butt of many jokes. But the tables turned when Troy and I got so sick from Montezuma's Revenge that Randy had to pick up our slack as we were afraid to get more than 20 feet from the bathroom of Crash's motorhome.

I will always be grateful for the opportunity to know Crash and the adventure he shared with us down in Baja. This adventure and lifetime memory happened because of the blessings and friendships that developed in the Roosters. Thank you, Crash; we will miss you.

I look forward to seeing all of you at our upcoming events - please see the notice on right and volunteer your time to contribute to the success of our fundraisers. I think this is the busiest single month in Roosters history, and I am grateful for everyone who has brought it all together.

Marty Burbank, JD, LLM  
2021 President

## Charity Committee

The Roosters' charity committee, led by chairman Thad Sandford, has concluded a series of meetings to evaluate 26 applications that have been received requesting grants from the Roosters' Foundation. The very dedicated members of the charity committee (see panel on right) each reviewed 4-6 of the applications. The committee met to discuss them all and rated them from 1 -5 reflecting how their mission matched the mission of the Roosters. Then they attended two Zoom presentations when the nonprofits (shown below) had 5 minutes to verbally expand on their applications.

**Thad Sandford, Jeff Scheibner**

Many members of the Charity Committee are also advocates for the nonprofits that have requested grants. Next step is for the members of the Grant Review Committee to review the results of the committee's work and they will meet in person to determine what percentage of the available funds each of the applicants will receive. Once our upcoming fundraising events are concluded, the board of directors will review the recommendations of the Grant Review Committee and monies will be distributed appropriately.

# Feeding OC

Dan Stone, Chairman

## Great news!

The Roosters were out in force supporting our community feeding partner Bracken's Kitchen at their Hungry Games 4.0 gala on September 9th in Garden Grove.

Pictured here with Caterina Richards, Director of Operations, are Roosters Jon Giberson, Rick McAuley, and John Hinson. Dr. Greg Bates was also roaming about and Doug Richards was tending bar for the evening.

In addition to the goodwill and awareness generated for the 350+ guests, Bracken's Kitchen raised over \$300,000 to help support their mission to fight food insecurity in our community. A big thank you to these gentlemen and the Rooster membership for supporting this worthy cause.

There are multiple Rooster volunteer opportunities with Bracken's Kitchen thru the end of 2021 and into next year, so check the September CROW for dates and contact Dan Stone to get more information and sign up for a shift.

# 2022 Roosters Board of Directors Candidates

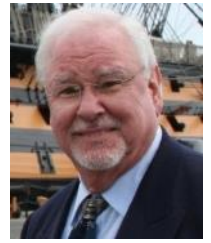

Below are the statements from members wishing to either return to, or be newly elected to the 2022 Roosters BOD:

## Gary Draper

I hereby request your vote for Roosters Board of Directors. It's been 10 years since I served on the Board, (2012), and, before that, I served for seven years on the Board during the mid-1990's and early 2000's. In fact, I joined roosters in 1990, served as Speaker Chairman for three years, Vice President in 1996, President in 1997. During a eight-year run, I was Chairman or Co-Chairman of the major fund raisers, (Monte Carlo Night), which collectively raised a net of more than \$1,000,000 for our children's charities.

I graduated from Cal-State Fullerton with a degree in Political Science in 1974, worked directly for one of our major political parties, managed a successful congressional campaign, and then spent 40 years as an Executive Recruiter.

I am grateful to have been a partner in bringing Roosters from about 35 members to nearly 100 during my time in the club. I am also very proud of all of the many great things Roosters has accomplished as well as its many traditions that enabled us to become one of the pillars of our community. I believe my participation in Roosters has also made me a better person with a brighter outlook on life. Further, as I have completed some personal projects in life since my retirement, I would once again like to contribute to the Roosters management. I would be honored to receive your vote for Board of Directors.

## Lou Gardner

I am asking for your consideration to serve as a 2022 Board member for the Roosters Foundation and Roosters Inc. As most of you know, I have been a member of the Roosters since 2009. I became a board member in 2010 serving as PR Chair in 2010, Charity Chair in 2011, 2012, and 2013. I Served as VP in 2014 under John Hinson and was president in 2015. After serving as past president in 2016, I was honored to serve on the 2021 Board as Ambassador Chair. Unfortunately, our focus was spent on internal membership issues. If re-elected. I plan on getting the Ambassadors tuned into our organization and our Rooster culture.

The internal issues did not stop us from helping children in need and at risk in Orange County. The men along with their wives and significant others has created a close-knit family culture not common in organizations today.

I serve to help take the Roosters to the next level and to nurture future leaders within the Roosters and I therefore ask for your vote.

## Asif Merchant

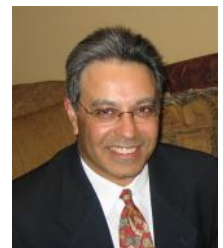

I have been a Rooster since 2006 during this time I have been an avid supporter of the programs that Roosters are involved in. I have been privileged to serve on the Chef's committee and have gotten to know many of the Chef's that support our premiere fundraising event. Of the 4 years of serving on the Chef's committee, I have also served as Chairperson for that committee.

It has been with great dismay that I have witnessed the divisions that have occurred. My goal would be to assist the President and all Roosters in finding a way to continue and grow all the good work we have accomplished in the past.

Raising money and supporting charities that help us accomplish our mission of helping children at risk is important. Especially after the last two years where need has intensified.

Please support me as candidate for your 2022 Board of Directors and help me achieve our Mission.

Asif Merchant

## William Ross

Being actively involved with the Roosters since early 2000's I'm pleased to throw my hat in the ring to be a member of the Board again.

Being past Social chair for 6 years and Golf chair in the past I look forward to continuing working to bring back our group with unity!

# 2022 Roosters Board of Directors Candidates (Cont'd.)

Below are the statements from members wishing to either return to, or be newly elected to the 2022 Roosters BOD:

## Chad Hall

I would be honored to participate in the Roosters Board of Directors.

I hope to be able to contribute more of myself toward charitable endeavors with a group of like-minded individuals and look forward to getting to know everyone better.

I grew up in the Orange Park acres area of Orange County, where most everybody learns how to ride a horse at a young age.

After high school I had too many years of community college, so I got my real estate license in 1988. I had the good fortune to learn commercial real estate from my father, joining his small real estate firm. Together we started a small Oil company in the 1990s.

Now, at the age of 57, I manage property, and raise a 9 year old daughter with my wife Pam, who also has a career in real estate. The three of us live in Newport Beach, where we enjoy entertaining, getting the homework done, and getting into bed on time for a school night!

## Doug Richards

I'm asking for Board and Membership support to join the 2022 BOD in the Public Relations role. I've spent my first year attending events and serving on the Charity Committee and have a clear understanding of the missions of both our organizations.

I intend to continue in the Public Relations role on the Roosters Foundation Board of Directors for 2022 and seek your confidence and support to do so. 2021 saw us emerge from the pandemic restrictions and begin to hold some social events and luncheons. Our fundraising events are back on the schedule and our charities completed their applications and are asking for grant money. Hopefully, 2022 will see us restored to full operation and striving to improve our impact to our underserved local children. My plan is to continue with the previous strategy while looking for new ways to attract new members and raise our profile in the business and social community.

I appreciate your support and look forward to a thriving 2021.

## Greg Bates

I would like to serve on the Roosters Board for 2022.

I want to continue bringing new members in who will help our mission of helping kids in Orange County and be willing to do the work that that entails. My goal is to not have too many past presidents having to run for the Board positions. I want to revitalize our Roosters dine out group to show the Chefs who support our biggest money raiser that we are there for them so that they will be there for us. Thank you for your consideration.

## John Hinson

I am running for the 2022 Roosters Board of Directors and ask that you please vote for me. My long history and involvement with our organization, I believe, qualifies me for a board position.

My membership with Roosters began in the fall of 2003, and I have been an active member ever since. Shortly after joining I became involved with the Charity Committee but decided to limit my board involvement because we had younger kids at home. Within a couple of years, I twice co-chaired the annual Roosters Monte Carlo Night. This was the predecessor to Roosters Orange County Food & Wine Celebration, and it was our primary vehicle to fund our annual Food Drive as well as support local charities that met our mission. In my second year as co-chairman we set a then attendance record of 454 attendees. As my daughters grew older, I accepted off-board and on-board positions including Ambassador Chair, Treasurer, Vice President, and President in 2014. In 2017 President Steve Smith asked me to fill in as interim Vice President for the latter half of that year. At the beginning of 2018 I organized Roosters Golf simply as a way for the guys who do golf to get together once a month to chase a round-ball for a few hours.

After speaking with Kirk Adams about his vision and platform for next year, I decided that I would like to be part of his board if I am fortunate enough to be voted on. Again, I ask for your vote.

# 2022 Roosters Board of Directors Candidates (Cont'd.)

Below are the statements from members wishing to either return to, or be newly elected to the 2022 Roosters BOD:

## John Trapani

I have served in a variety of positions including Co-Chairing Monte Carlo, Charity Chairperson, President and Wine Chairperson for the past 10 years. Currently, I serve as Membership Chairperson. Over the past year, instead of growing membership we have become stagnant. We are also losing members so that we are now at a low number of 75. I would like to reverse that trend and continue in my current role.

I joined the Roosters due to friendships which have grown & strengthened. But today I realize that my love for the Roosters is because of our mission of helping those at risk, needy and disadvantaged. I'd like to recruit members willing to give either monetarily or voluntarily and grow our membership numbers irrespective of ethnicity, religion or gender. I request your vote for the 2022 Board of Directors.

## Larry Mandell

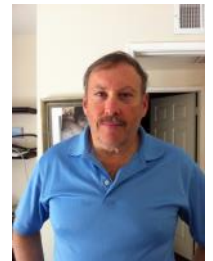

I am running for the 2022 Roosters Board of Directors. I joined Roosters in December of 2012. While this is the first time I have run for a Roosters position, I served for over 12 years on the executive board of my synagogue.

For those that don't know me yet, I have a wife, two sons and one grandson. My wife, Rhonda, has attended many of the socials with me. Now that I am semi-retired I have the time to step up my involvement with Roosters.

I initially joined Roosters because I am concerned about children going hungry in one of the wealthiest areas of the country, Orange County. The December food drive we held with Second Harvest exemplifies what we all saw as the Roosters spirit. People giving of their time and effort to achieve the goal of allowing needy families to have at least one good healthy meal during the holidays.

Over the past year there has been a lot of dissension among the members. I would like to see this stop and do my part to help bring the Roosters family back together. We are an organization that stands for friendship, fellowship, charity and good times. It stands for busy worldly people who take the time to give to those less fortunate.

I would like to help bring back that spirit of doing good work for the community. I've spoken with Kirk Adams and agree with where he wants to take the organization. I ask for your vote so that I can help him and the rest of the organization achieve the Roosters goal.

## Visit Liam's Sugar Heros at Wine Celebration on Oct 17

Wine  
CELEBRATION

Our Mission is to serve our community by providing a sweet cookie snack with a long-lasting Superhero message:

**I am Sweet. I am Strong. & I am LIAM'S.**

2018: The beginning of it all...

Nicci Julian, Founder and Pastry Chef of [Confectious Pastry Shop](#) met Liam Katz and his family in 2018 at a Gold Rush Cure Foundation delivery. In 2014, Nicci lost her mother, Vallie Julian, to glioblastoma cancer. With the large success of Confectious Pastry Shop, she wanted to find a way to give back.

Nicci donated two superhero cakes to Liam and his family.

During the event, Nicci knew Liam was a special boy. His constant hugs, laughs, "thank you's, oh my's!"...his overall gratefulness was inspiring. He was leaping with joy, and wanting to share his new toys gifted by the foundation with his younger brother, Nathan Katz. Nicci noticed these unique traits in Liam, and thought there was a deeper message to share with all. Overall, Liam inspired Nicci to create a new way of looking at doing something for others, in hopes that it is replicated by not just young children, but individuals around the world.

Liam was diagnosed with Acute Lymphoblastic Leukemia at the age of 4.5 on May 15th 2018. The journey this led is something no family should ever have to endure. His total time of treatment was two years and seven months. Through progression, Liam's end of treatment date was scheduled for September 2021, but due to protocol changes for Liam and his younger brother, Nathan, we were given the option to complete treatment ten months early. Thankfully and joyfully, Liam got to ring the bell in January 2021. This was right before his 7th birthday. Liam is about to enter second grade and is excelling amazingly.

He enjoys reading, playing soccer, and loves Roblox. Throughout his treatment, he pushed through with only a few complaints. His bright energy and smile kept him strong, while others admired his light energy and beautiful smile. <https://www.liamssugarheroes.com/pages/mission>

## The Accident Injury — Law Center —

### **Professional, Detail-oriented, and Governed by integrity:**

Moses Yneges is the founder of The Accident Injury Law Center, a law office representing plaintiffs in personal injury cases. He never provides defense representation to at-fault parties. Representation is on a contingency fee basis, which means no upfront or hourly fees. Legal fees are collected at the end of the claim, when the other side pays either a settlement or a court ordered amount.

Call Moses to discuss any injuries that resulted from the following types of accidents: semi-trailer truck caused injuries or death, car versus car, any motor vehicle versus pedestrian, any motor vehicle versus motorcycle, dog bite, trip and fall, wrongful death, vehicle roll over, and vehicle seatback failure.

Just because an injury cannot be seen does not mean it is not there. Injuries to the spine and brain can sometimes be difficult to show. Moses has experience with representing clients with internal injuries such as traumatic brain injuries, ongoing pain in the neck that radiates to the arms, ongoing pain the back that radiates to the legs, and post-traumatic stress disorder.
