**ROOSTERS
FOUNDATION**
OF ORANGE COUNTY

President's Message David A. Selleck, President

Rooster Brothers, Advocates &
Honorary Roosters,

Its June and we are still under quarantine, and as such, there are still many things that are up in the air. As for now we have not made any final decision on what is happening with the Orange County Food and Wine Celebration. We have assembled a small group of Roosters to brainstorm and strategize on the issue and will be making a final decision by June 15th. We are also looking at alternative and creative ways to possibly hold some variation of the Passport to Chefs event. We will know more as we approach the June 15th time frame. Unfortunately, the Golfing for Kids event has been rescheduled for 2021.

Due to the uncertainty of our ability to raise money through our events, we are actively exploring new and creative ways to raise money. The Roosters will continue to support our charities best we can during this time. They need our support now, more than ever!

More to come on Rooster fundraising and events.

Here is something I think is a nice little addition for our members. We have established a "Members Only" section on our website that is password protected and for our eyes only. The "Members Only" section is located on our Rooster website, www.RoostersFoundation.org, under the CONTACT tab. Currently, we only have two items in the members only section, The mini directory and an electronic version of the Roosters logo, but as time goes on more items will be added. Proof the Rooster board is working for you!!!

*I will send out a separate email to the membership with the password.

We will be hosting another Zoom lunch for our June Luncheon. For those of you who would like to participate in the Electronic Luncheon, I will be sending out an email the day before and the morning of the lunch with the Zoom Meeting login invitation and meeting ID.

The date and time of the June Luncheon:

Time: 12:pm

Date: Thursday June 11th

Our guest speaker: Wanda Allen

"Wanda Allen is a national speaker, coach, author and award winning business owner. She's the author of Follow Up Savvy and Follow Up Sales Strategies."

*Please do not attempt to login in prior to 11:50am. The host, Dan Ouweleen, will need to be on before anyone can enter.

Thanks again Dan Ouweleen for the use of your corporate Zoom account!!!!

Last but certainly not least, I would personally like to extend a big thank you and express my gratitude to Kirk and Libby Adams for their generosity during this time of need. Your generous donation to the Roosters Foundation is being used to help our existing feeding program partners and local front-line hero's!!

THANK YOU!!!!!!

Roosters Feeding Program

Feeding OC update:

Family Promise of Orange County families are being fed by Bracken's Kitchen!

The Feeding OC program and grant program is helping our community in many ways. Below is an example of the Family Promise of OC (grant recipient), whose families are being fed by Bracken's Kitchen (grant recipient and Feeding OC partner)!

Family Promise of Orange County serves families experiencing homelessness, and the program is currently supporting 18 families (71 people). This includes families that were in our Emergency Shelter and Short-term Housing programs at the start of the pandemic, as well as families who have graduated from the program, but who are now at risk of falling back into homelessness due to sudden job loss and lack of income.

The job loss, housing instability, and food insecurity we are seeing is devastating. The program is helping these families cope by providing essential services and helping to supplement the over \$40,000 of lost income per month they are experiencing. The largest part of this support is providing meals for the families during this uncertain time.

Under normal program operations, meals for our families were provided by volunteers from local houses of worship on a rotating basis. However due the pandemic, all houses of worship are currently closed, thus effectively suspending normal operations of our Emergency Shelter program. To address the need to feed our families, Family Promise of Orange County was able to partner with Bracken's Kitchen to be able to supply the families with healthy and delicious fresh meals so that food instability does not have to be one of their worries during this health crisis. The families receive freshly prepared meals on a weekly basis and will continue to do so until our program is able to operate once again at full capability.

Thank you, Bracken's Kitchen!

Update from Caterina Richards of Bracken's Kitchen

Gentlemen of the Roosters,

As you know, since the outbreak of Covid-19 we have ramped up our production greatly and just last week we distributed over 42,000 tasty and nutritious meals made from scratch! We took a proactive approach to getting there and put people to work. We brought in 16 new hires in the past 8 weeks who found themselves out of work due to recent restaurant closures. This allows us to create an independent shift in the PM with no crossover from the two shifts. God forbid one of us gets sick, production will not be shut down completely.

In the past 8 weeks, we produced over 218,791 nutritious wholesome meals (thanks to the many supporters such as the Roosters!!). In addition, we also distributed over 197,000 lb. (98 tons) of produce, bread, dry goods etc. which equivalent to 164,000 meals! In order to outreach to more communities in needs, we added over 45 new agency partners

who helped with distributing meals to the hands of those needed most. Organization such as Kid Works, Girls Homes, Family Promise, Saddleback Church, Orangewood, Samueli Academy are amongst the many who come weekly to pick up meals and other provisions to the communities they serve. We are truly grateful for these partnerships!!

We are blessed with the support and awareness on the work we do, including a few recent media outlets. Please click on the video link below to see a short story from Spectrum News 1. They did a feel good story of our Emergency Response Relief Feeding Program. You can view the segment [HERE!](#)

We were also featured in Fox News Good Day LA a couple weeks ago, you can see part of the segment [HERE](#) also:

Just a couple Sundays ago we were featured on the show, "Little Big Shots" on NBC. It was quite exciting and I wanted to share it with you. When time allows you can watch it here. <https://www.nbc.com/little-big-shots/video/together-we-see-it-through/4155959> Our episode starts at around the 24 minute mark.

And finally, to give you a glimpse into the lives of those we are helping. Below is a picture of a mother with 2 of her three kids. This is her story.

She fears for her baby every time she goes out to get groceries because she is a single mom and she cannot leave her baby at home and has to bring her to the store. She was very anxious about her baby getting sick or that she would pass something onto her child who is dealing with congenital heart disease. But with help from Bracken's Kitchen and supplies from us, she rarely needs to go anywhere and it has really relieved her fears. This is the same sentiment I have been receiving from all of our families, especially the single parents.

Thanks so much Jon, Dan and all the wonderful Roosters for coming alongside us to serve those most vulnerable in our communities!

Please stay safe and be healthy!

Laurel House Expands, Changes Name

Dear Roosters Foundation of Orange County,

Laurel House was founded in 1985 as an emergency shelter by two women, Nadene Holub and Elinor Tompkins, who were distraught knowing there were teenagers in Tustin with no place to sleep at night. Over the years, Laurel House has evolved to become the only long-term youth shelter in Orange County. Now 35 years later, as we open a second shelter home for at-risk teen boys, we felt it was time to re-think our name and branding.

It began with wanting our name to reflect an organization that incorporates serving both at-risk teen girls AND teen boys. We also wanted to give homage to the founders who instilled faith, hope, and love into the program.

So, after a lot of thoughtful and prayerful consideration, we are excited to announce our name change from Laurel House to Hope Harbor.

[Click on this video link](#) to hear our House Parent Donna Giddings share about the meaning behind the rebrand.

With this new name, we are embracing who we have always been: an anchor of hope for teens in crisis. Hope Harbor provides a “harbor of hope” for teens in crisis – a safe place where at-risk teens can be anchored in Christ and experience true restoration.

New Name, Same Mission, but Double the Impact!

Under the name Hope Harbor, we will continue to focus on breaking the cycles of homelessness, addiction and broken family relationships, and empower teens for a brighter future. Our mission stays the same – providing a home for teens in crisis, transforming lives and strengthening families – but now we will be doubling our impact with TWO homes.

Click to hear our House Parent Donna Giddings share about the meaning behind the rebrand.

The girls at Laurel House have already chosen to rename their home Hope Harbor Sea Glass and the Boys Home will be named Hope Harbor Rip Tide. These names reflect the beauty and resilience that can arise from the turbulent currents that life may throw at them.

A Safe Place, an Anchor of Hope.

We believe that even just one homeless teen is one too many. That's why we have worked tirelessly to prevent teen homelessness. We want all teens, boys and girls, to have the opportunity to change their lives and step into a brighter future.

With your continued support, we will be able to double our impact in the community and empower more teens to transform their lives. We couldn't do this without you!

Please join us in our effort to help twice as many teens this year.
Blessings,

Donna Giddings
House Mom since 1997

Tales from Isolation.

May 23, the first day that restaurants in OC were allowed to be open, Michelle and Dan Stone enjoyed dinner at the Anaheim White House, in support of our restaurant chefs of the food and wine event and Bruno Serato's efforts of Caterina's Club.

Meanwhile, deep in the Valleys of South Wales, UK, Peter Smith's Dad Bill turned 99 on June 5. Looks like lockdown restrictions must have been lifted just for him!! Peter and Holly weren't allowed to go there from France unfortunately. Around 40 family, friends and neighbors turned out in the rain to celebrate with him on the street in front of his house!

Adieu Jeff Smith, a true Rooster through and through

A Letter To my Rooster Brothers:

This is difficult for me to do in written form, but this virus has forced us all to stay apart physically. This is to all of you, the ones I was close to and our new brothers that I haven't met.

Feng and I are very close to our move date to Germantown, Tennessee, a suburb of Memphis. Feng is now a member of the University of Tennessee Health Science Center faculty. This will allow her to expand her research in cancer epidemiology and public health. Everyone there has been incredibly friendly and welcoming. I am looking forward to Tennessee whisky, wine and golf.

I have been a proud Rooster for the last 25+ years. The growth from the "bad boys of OC" to a group that has still maintained our social gatherings to a respected charity in Orange County. What a great ride.

The history of Roosters is written by all of us. From the original few to all of our friends that have passed to this year's ambassadors, every one of us has a part. Life-long friends have and will be made as all live the Roosters Creed. You have been there for me through divorce, marriage and cancer.

My 1st year as a Rooster had me involved in three events. The origins of the golf tournament were all because of Mike Wiley. It all started with steaks on the grill and cocktails at Mike's house. What great time. I miss that. We supported seed grant work for pediatric research at Jonsson Cancer Center at UCLA. Mike would arrange a trip for us up to JCC to meet the scientists and some of the patients. It still has an impact on me today. We did well.

My 2nd event was Monte Carlo night run by Gary Draper. What a great night. We tented the parking lot at Chanticleer and Gary was the captain of the Titanic. This was fund raising event where we taught small charities how to raise money to help themselves. Black Tie and an awesome night. Monte Carlo morphed into Culinary Masters, with Chad Kearns and Michael Cipolla putting on an event that was second to none. That gave way to the Orange County Food and Wine Celebration that is now 2 days. Randy Fine and his team have helped take Rooster fund raising to new highs.

My first Food Drive experience was as a part of another OC charity that was doing a pre-Christmas food drive. Roosters had donated money to help fund their efforts and that day was my first exposure to Roosters. Gerry Stanfield, Doug Davidson, Ron Guidry, Ernie Baldwin were hitting on my girlfriend at the time.

As the holiday season came around, Doug Davidson came to me and said we should do our own food drive. He told me to run it and he would raise the money. Doug kept passing the hat and strong-arming people until we had enough money for 100 turkeys and all the trimmings. Without the help from Ernie Knapp, Steve Gough and Ron Guidry we never would have got this done. We filled 100 boxes that day with instant mashed potatoes, veggies and anything else we could find. And that was the humble beginnings of the Rooster Food Drive. Our ability to feed children in need has been a driving force in my time with Roosters. IT IS THE RIGHT THING TO DO!!!

If any of you decide to make your way to Memphis, our door is always open. My email and phone number will stay the same.

The late Doug Davidson had a phrase that always stuck with me "They may not remember our name, but they will remember what we do"

Continue to do great things!
Your Rooster Brother,
Jeff Smith

Roosters Socials - we're Distancing! 🙄

Fellow Roosters,

As we all know we are still not able to have our social.
Fingers crossed we might be able to bring back the socials in July!
While you are all social distancing, if you come up with some ideas, or want to host at your home (When this is over obviously), please let me know.
Once all of us Roosters are able to get out of our cages, we will have one great social!
Chris and I wish for everyone to stay healthy while we all go through this challenging time.

Doug Wilson, Social Chair: 949-394-8179 doug@houseofsoundandvideo.com

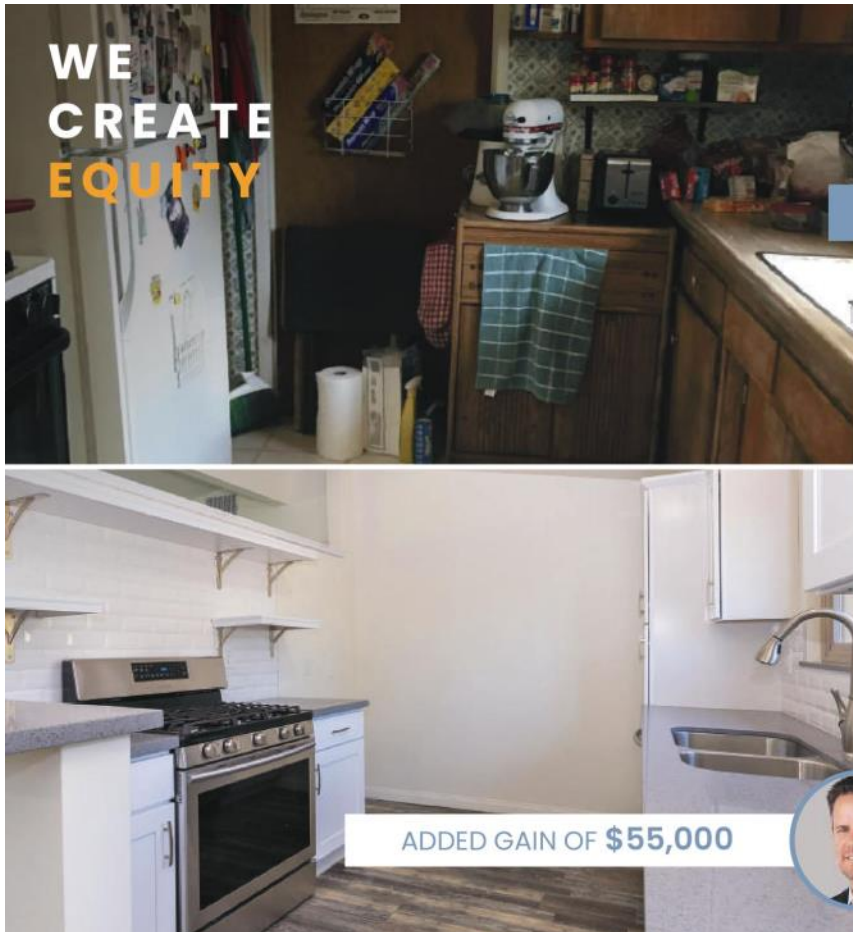

Please check your emails for the "EVITE" providing details on the socials scheduled for each month.
