**ROOSTERS  
FOUNDATION**  
OF ORANGE COUNTY

## President's Message David A. Selleck, President

Rooster Brothers, Advocates & Honorary Roosters,

July is upon us and I cannot believe this year is half over. A part of me is sad that we have not been able to accomplish any of our goals for this year, but the other part of me is determined to make it up in the years ahead and I look forward to this year being in the past. As we are all aware, there is a lot going on in our country right now, and I don't think we need to address them here, so I would like to keep this to the Rooster Universe.

First and foremost, It is with a sad, but understanding, heart that I must inform all of you that all fundraising events for 2020 will be rescheduled for the 2021 year. This has put the breaks on our ability to raise money through our events as we have traditionally done. So, we are actively exploring new and creative ways to raise money because The Roosters WILL continue to support our charities the best we can during this difficult time. They need our support now, more than ever!

One way you can help raise money today is through **Amazon Smile**. I encourage everyone to explore the Amazon Smile site when making purchases on Amazon and choose the Roosters as your charity of choice. Every purchase helps the Roosters raise grant money for our charities. Go to the Amazon Smile web page [www.AmazonSmile.com](http://www.AmazonSmile.com) and log into your amazon Prime account as you normally would and start shopping!!!

Penny is also working very hard behind the scenes on behalf of the Roosters to put together and launch an online fundraising event to help us fill in the gap in an effort to raise grant money for our charities!! Thank you Penny!!

If you have an idea that you would like the board to

consider, please reach out to one of us!

I would like to reiterate the addition of our "Members Only" section on our website that is password protected and for our eyes only. The "Members Only" section is located on our Rooster website, [www.RoostersFoundation.org](http://www.RoostersFoundation.org), under the **CONTACT** tab.

Last, but not least. We will be hosting another Zoom lunch for our July Luncheon For those of you who would like to participate in the Electronic Luncheon, I will be sending out an email the day before and the morning of the lunch with the Zoom Meeting login invitation and meeting ID. The date and time of the July Luncheon: (Also located on the Rooster Website)

**Time: 12:pm**

**Date: Thursday July 16<sup>th</sup> (\*This is the 3rd Thursday of the Month)**

**Our guest speaker: TBD**

\*Please do not attempt to login in prior to 11:50am. The host, Dan Ouweleen, will need to be on before anyone can enter.

**Thanks again Dan Ouweleen for the use of your corporate Zoom account!!!!**

That is all I have for July. I would just like to leave you with one thing. Be kind to one another!

David A. Selleck,  
Roosters Foundation and Roosters Inc. 2020 President

Through this program, we provide a variety of necessary items for homeless children. These items include, but are not limited to: clothes, shoes, sports gear, graphing calculators, laptops and so much more. <https://flock.gives/donate/>

### Family Promise

Liaison: Dan Stone

<https://familypromise.org/events/night-without-a-bed/>  
Join us for our first national Night Without a Bed #NightWithoutABed is a social media challenge that raises awareness for families experiencing homelessness. On Saturday, June 20, 2020, the Family Promise Network will join together with our supporters to sleep one night without a bed. Check back here as the event gets closer for a virtual series of events.

#### HOW DO I TAKE THE CHALLENGE?

We ask participants to sleep anywhere without a bed: cars, a tent, a treehouse, living room floor, a couch and use the hashtag #NightWithoutABed to post video or photo on social media. Every year in America, 2.5 million children experience homelessness in the U.S. These children are three times more likely to be placed in special education programs, eight to nine times more likely to repeat a grade, and seven times more likely to die by suicide. Now with the Coronavirus Pandemic impacting people across the country, low-income families are increasingly at-risk of homelessness and those experiencing homelessness have less access to spaces to safely practice social distancing.

# Message from Randy Fine, OCFWC Chairman

Roosters, Friends and Supporters,

It seems with each passing week we receive an email or letter from a CEO, President or Chairman letting us know how saddened or heavy their hearts are because they have to cancel an event. I don't want to be sad and I don't want my heart to be heavy with grief...but full of love, joy and optimism. This email will only stand as a further postponement of the 2020 Orange County Food and Wine Celebration (OCFWC) to be combined with the 2021 OCFWC to be held at Old Ranch Country Club in Seal Beach:

Wine Celebration April 11<sup>th</sup>, 2021

The Chefs Experience April 18<sup>th</sup>, 2021

Please mark your calendar, so we can all come back together to celebrate and raise funds for some fantastic organizations that help children from being Hungry, providing a pathway for Mental Well Being, helps with their Education and provides Leadership through Sport. Your support and friendship help over 30 children's focused non-profits in Orange County. Some of these agencies rely 100% on Rooster Foundation grants.

We will plan to take all precautions related to social distancing if the State mandates that such use is still viable in combating the virus. We will also provide masks, gloves and sanitizer to those that wish to continue following CDC guidelines even if restrictions are lifted. Your safety, confidence and enjoyment are our first priority.

The Roosters Foundation has always taken the most serious of situations and turned it into positive outcomes and though this is, by far, one of the most serious we have encountered...The Roosters are up for the task. We have a plan for a virtual auction and fundraiser to take place before the end of Summer, and we know we can count on you to be a part of that event...**you will receive an invitation to this event via email or text.**

As for your current Wine and Chef/Food ticket reservations for 2020 (Please reply with your decision before July 31, 2020):

1. You may show your support to the Roosters Foundation and let your current purchase stand as a donation for 2020 and receive the tax deduction for this year – Must notify us before July 31st, 2020

OR

2. You may transfer your reservation/tickets/seats to the 2021 event at no additional cost – This must be done before July 31st, 2020.

3. Refund

Sincerely,  
Randy Fine, OCFWC Founder and Chairman

## Honorary Roosters

At the end of 2019, the Roosters Board of Directors reviewed the list of Honorary Roosters. It had become rather antiquated with names not associated with Roosters for years, and in some cases, decades. We discussed what it means to be an Honorary Rooster and set forth the criteria:

- Exemplifies the Roosters Creed
- Deserves recognition for their philanthropic work supporting needy children in Orange County, California
- Adds to the prestige of the Roosters organization
- Is a significant supporter of Roosters fund raising activities, either in the past five years or intends to be over the next five years
- Attends annually either a luncheon, social event, fund raising event or other Roosters event

The following is the current list of our Honorary Roosters

### Cherri Farah

Cherri is a syndicated columnist, radio and TV host. Her genre is in the world of entertainment and high society. Cherri has had a long association with Roosters and is an ardent supporter. She has promoted many of the Roosters fund raising events over the years, assisted in public relation efforts and provided a number of speakers for the Roosters lunches.

### Gary Eisenberger

Gary is the Co-Founder and President of Karma Tequila. Karma Tequila (<http://www.karmatequila.com>), a subsidiary of 'WC Spirits, LLC' is based in Agoura Hills, CA and is the producer of an all-natural blend of double and triple distilled 100% agave tequila and is available in over 20 states and a few overseas countries. Gary is also a co-founder/board member of 'Karma Cares Foundation', a subsidiary of 'Kids Courage Foundation' (<http://www.kidscourage.org>), with the mission to assist "underprivileged kids in regard to health and education". Karma Tequila contributes a portion of the proceeds from each bottle purchase worldwide to the "Karma Care Foundation". Gary has been a huge supporter of the Roosters Foundation and previously sat on the board for Project Cuddle. Gary was also instrumental in connecting the Roosters Foundation to Windsong Trust, the Roosters largest supporter of Education grants to date.

### Margarita Martin

Margarita Martin has a passion for helping others. She is a real estate agent in Laguna Beach, a member and past President of Monarch Beach Sunrise Rotary, President of the Colombo-American Education Foundation that provides scholarships to impoverished children in Colombia.

Margarita's association with Roosters goes back to the 1980's when she was secretary to then Roosters President Scott Zimmerman. At one point in the 1990's Roosters lost all but a handful of members, and Past President Doug Davidson, Margarita and a handful of others revived the membership. She is actively involved in many of our events, lunches and various fund raising activities.

### Mark McDonald

Mark is the founder, co-owner and chef at Old Vine Kitchen & Bar located in The Camp in Costa Mesa, CA. Mark has volunteered to participate as a chef at Roosters Orange County Food & Wine Celebration for nine years. His generosity helps Roosters to achieve our mission for raising funds for children in need in Orange County.

## Dan Pederson

Captain Dan Pedersen joined the Navy Reserve as an enlisted man in 1954, completed flight training, and was commissioned and designated as a Naval Aviator in 1957. During the next 12 years Pedersen flew various aircraft and F-4s off of aircraft carriers and served as instructor and digital systems projects officer at Fleet Anti-Air Warfare Center/Fleet Computer Programming Center. In January 1969, Pedersen was assigned again to VF-121 as an F-4 tactics instructor. He was then assigned the duty of forming the graduate level program to train the top 1% of fighter pilots in aerial combat, known as TOP GUN. Pedersen and eight other naval officers wrote the curriculum, academic and flight syllabuses; developed and validated their new Phantom flight tactics; and designed a unique training and standard operating protocol still used today some 50 years later.

To celebrate its 50<sup>th</sup> anniversary, Capt. Dan recently authored a book titled: "TOP GUN an American Story", a compelling story about his career as a Naval Aviator, the birthing of the Top Gun Fighter Weapons School and a touching love story. He has been interviewed on numerous TV programs and spoken at dozens of events promoting his book. For further background try Jocko Pod Cast 230 and 231.

Dan has been a very popular speaker at several Rooster's lunches. He is an admitted "Rooster Fan" and follows us closely reading the Crow, as he says, "cover-to-cover!"

## Floyd Pickrell (by Roosters Past President John Trapani, whom Floyd sponsored to join Roosters)

Floyd has a long time connection with the military. His father was a career Navy man. After graduating from San Diego State he entered the Marines, became an officer and transitioned to flying jets. After the military he was hired at American Hospital Supply in sales. Floyd became a recruiter for AHS and we met when he was recruiting at Long Beach State and I was working in the Career/Placement Office. He continued to move through the ranks till he became President at one of their holdings, Ormco. Its focus was the manufacturing and distribution of orthodontic supplies and equipment on a world-wide basis. I joined when the operation sales were \$30 million and grew to \$780 million through mergers and acquisitions. The business was spun off and went public on the NYSE. In 2007 this business, which had changed its name to Sybron Dental Specialties, was acquired by the Danaher Corporation. Floyd retired at that time and settled in Rancho Santa Fe. Even though he is no longer an active member of the Roosters he continues to support our initiatives through participation and donations.

## Jeff Smith

Until recently, Jeff was a member of Roosters for over 25 years. He has retired from the financial services industry and with his wife, Feng, moved to Memphis, TN, where she accepted a position with the University of Tennessee Health Science Center faculty.

Jeff was always an active member participating in all of our fund raising activities, board membership including the Roosters Presidency and, most notably, the lead organizer of the Roosters Food Drive starting with 100 boxes over 20 years ago and growing it to over 3,000 food boxes a year. His passion has always been to help kids in need.

## Peter Smith

Peter was introduced to the Roosters by Chad Kearns around 1999, and his first involvement was donating wine tours to the Monte Carlo fundraiser. Later, as president of a youth theater non-profit, he became a beneficiary as well as benefactor, and eventually was persuaded to become a member in 2010. He was active in many aspects of the organization, and took over as editor of the Crow newsletter at the end of 2014. He eventually resigned his membership in 2017 when he shifted his residence to France, but has continued his involvement as editor of the Crow.

Now living in their farmhouse in Brittany, Peter and his wife Holly have a varied past, starting their relationship as captain and chef on private and charter yachts, and for the past 25 years have owned Avalon Wine Tours, specializing in luxury wine tours worldwide. Currently, they are preparing to open a 3-room B&B and microbrewery at their home in Brittany, as they continue with the wine tour business. Peter misses the camaraderie and energy of being close to his Rooster brothers, but is grateful that he can stay in touch through his involvement with the Crow.
