**ROOSTERS
FOUNDATION**
OF ORANGE COUNTY

President's Message Kirk Adams, President

Fellow Roosters,

Here we are in April and, unfortunately, things are not any better in Ukraine. Let's all say a prayer for this conflict to end soon and justice to be served to the leader of that insanity!! And speaking of insanity, good luck with your taxes!!

Here at home things are looking pretty good! The weather is very much indicating springtime with more and more sunny days. Unfortunately Covid is still hiding here and there but it seems most of us have decided to move on and enjoy life. Cautiously!

Our second luncheon took place on Thursday the 14th at Prego Restaurant in Tustin. Thank you Bill Ross for setting us up with this great venue! Approximately 30 members attended and the folks at Prego took great care of us. Gary Draper arranged for our speaker, Bill Hoffman who gave a fantastic presentation and spoke about some of the custom tours he has put together around southern California. Mr. Hoffman was extremely knowledgeable about locations from Los Angeles to San Diego and shared many facts about historical parts of Southern California that, likely, few of us are aware of. Mr. Hoffman has offered to put together a special tour for Roosters members, so keep an eye out for more on that.

We have more new members! Please congratulate David Norwood, Kimberley Berman and Angela Joe to the membership! All three are very excited about what Roosters is all about and looking forward to getting involved!

How about upcoming events?

One OC will be having their Spirit of Volunteerism banquet on the 28th and our own Dan Stone was nominated by the board for all the hard work he has put in to coordinating events over the last several years. Good Luck Dan!

Joann Leatherby, Pat McAuley, Jen Moriarty and John Trapani are still hard at work getting things ready for the OCFWC Wine and Food events. The wine event is going to be held on the plaza at Segerstrom Center (August 27th) and should be great! The dinner event, as previously mentioned, will again be at Old Ranch Country Club (October 23rd) and should be another homerun!

Our Golfing for Kids event is scheduled for September 21st, thank you Bill Ross and Craig Strenger, so put that date on your calendars as well and keep a look out for more info as it becomes available.

Next month we have our third social for the year and Bill Ross has arranged for us to be at Michael's on Naples Ristorante in Long Beach. Evites will come out soon!

Finally, Dan Stone is again working hard to restart and put together our seasonal food boxing event. Dan has asked me to add this note:

Special announcement: Save the date of Saturday Dec. 17 for the revised food box giveaway to local needy families in OC. Our plan is for approx. 100 volunteers at OC Food Bank or Garden Grove will box produce, can goods, and more to create 1,000+ Christmas dinners to be given to local charities serving needy families. Many more details to follow.

Time to wrap things up! The OCFWC committee is working hard to make connections with OC restaurants. It's a great opportunity for all members to get together for dinner and let these restaurants know that we support them just as they have supported us in the past. Go out, have dinner, ask to say hello to the Manager or Chef, and remember to mention that you are a Rooster!

Those of you with any free time at all, please step up and get involved. All of our events, and event coordinators, can use an extra hand.

Roosters, let's get to work!!

Charity Committee

Become an Advocate

The Roosters Charity Committee is at the heart and soul of the Roosters Foundation. Members of the committee see first hand how the charities work that we serve and to whom Roosters provides grants.

John Hinson

A focus of the Charity Committee in 2022 is to follow the guidelines outlined in the Roosters Procedures Guide. One of those items outlines the responsibilities of the Charity Advocate (formerly known as Liaison). Each charity that requests a grant must be recommended by a Roosters member and must be assigned at least one Advocate. As we learned this year by reviewing the Procedures Guide, each charity may have more than one Advocate. In fact, it is something we are strongly encouraging.

Currently, three of our charities have more than one Advocate. That leaves 27 opportunities to serve as an Advocate, especially if you are not already doing so. Please contact me if you would like to be an Advocate to one of our charities. You may email me at LJHIV@sbcglobal.net or call me at 714-425-6407.

Have you heard about **Amazon Smile**?

I don't know about you but I am fairly addicted to purchasing things from Amazon!

Recently I was introduced to a feature that Amazon offers which allows you to contribute to your favorite charity every time you make a purchase!

That feature is Amazon's **Amazon Smile** program.

Each time you make a purchase through the **Amazon Smile** parent company Amazon kicks back a percentage to whichever charity you have designated when you create your account! Very cool!!

It's just a suggestion but if you are buying stuff like I am buying stuff why not have a bit of that kicked back to **Roosters**!

Simply log in to "smile.amazon.com" (I know, it's the reverse of the actual program name, go figure!) and click the "Get Started" button. The website will walk you through the setup.

Designate **Roosters Foundation of Orange County** as your favorite charity and then make sure you always make your purchases through the **Amazon Smile** website. A contribution will be sent to **Roosters** every time you buy!

Pretty cool, right!! Happy hunting on **Amazon Smile** and feel good about knowing that every time you buy something **Roosters** benefits and that means our charities benefit!!

Thanks!

Kirk Adams, Roosters President 2022

CLOSE TO HOME GETAWAYS

BY CHERRI FARAH. RADIO/TV HOST AND COLUMNIST, HONORARY ROOSTER THE RITZ-CARLTON

If you are looking for BEAUTIFUL GETAWAYS you would probably see a picture of The Ritz-Carlton, Laguna Niguel California which was named "the most romantic hotel in the world" according to Gourmet magazine. The aura and energy of "Happy Times" begins with the majestic entrance to the resort, the stroll throughout its lobbies and grounds or just a breath taking view of the pastel, setting sunset, over the ocean. Since the opening of the resort in 1984, more than 4,000 weddings and countless proposals and anniversaries have been celebrated in the resort's award winning restaurants, oceanfront setting and luxury accommodations.

A day at The Ritz Carlton Laguna Niguel could include a walk along Ritz Cove Beach or leisurely, laying by the oasis theme, pool side while being entertained by a variety of music venues and enjoying a light lunch from the Pool's cafe. This paradise style resort believes in spoiling their guest by offering the ultimate in spa accommodations. Licensed massage therapists provide an array of massage treatments, including aromatherapy. ZEE for Hair, which is located adjacent to the Fitness & Massage Center, provides European skin treatments, body waxing, manicures, pedicures and hair styling with a potpourri of facial treatments for the both men and women. After being fully pampered, there are various selections of outstanding dining experiences to choose from, depending on your preferred ambience and culinary tastes.

The Club Grill and Bar offers a hearty meat and seafood menu, while listening to a live jazz and blues quartet. The Lobby Lounge and Library offers meals and snacks in a relaxing environment while overlooking the Pacific Ocean. The Terrace restaurant showcases seasonal California cuisine, in an informal setting, with accommodations on the patio as well. Elegance and sophistication paints the feeling of the Dining Room. Chef Goetz, as Chef de Cuisine of the newly remodeled Dining Room, tends to favor creating Mediterranean style seafood dishes, however, he is charmingly multitalented and is able to "wow" you with almost any dish! As part of the Dining Room menu, Chef Goetz showcases contemporary French specialties from his native region of Alsace in the south of France. There is even an original "Goetz Family" recipe for fresh duck foie gras, which is exquisitely prepared on-site. He believes that although dinner should begin with a well rounded Champaign, it should also end with a Divine dessert. For him, that translates as, fresh fruits warmed or roasted with ice cream, topped with chocolate sauce.

Being at this magical five-star, five-Diamond rated resort is like transcending into a hypnotic, fairy tale or a "Some Where in Time" movie, with lovers holding hands strolling along the beach while promising eternal love. You can almost picture Romeo chanting to Juliet as she perches at the balcony's edge of this picturesque resort. The grand, castle like site is poised atop a dramatic 150 foot majestic cliff, overlooking the Pacific Ocean. It is here that the roaring waves constantly sings a song of tranquillity and enchantment beckoning guest to never leave this "romantic world by the sea" known as the Ritz-Carlton Laguna Niguel.

Re: General Operating Grant
Disadvantaged and High-risk Children

Dear Jon:

On behalf of Kherut, I would like to express our gratitude for check #2632 received on Tuesday, December 21, 2021 in the amount of \$3,000.00.

All unrestricted funds will be directly allocated to our program which empowers, mentors and employs survivors of sex trafficking, sexual abuse, domestic violence, rape, imprisonment and young women aging out of foster care in a safe and supportive environment.

Thank you for your support and believing in our mission to help create a lasting change in the lives of not only these women but also drastically changing the lives of their children; breaking the chain and giving them hope for a better future.

Kherut is a 501(c)(3) non-profit incorporated in the State of California, operating under tax ID# 85-2816420. No goods or services were provided in exchange for this donation.

Sincerely,

Jody Masquefa

Co-Founder / Director of Operations

Cc: Louis Roybal Gardner

Kherut is a non-profit empowering survivors of sex trafficking, domestic violence, sexual abuse, imprisonment, and young women aging out of foster care in a safe and supportive environment.

Our partners refer survivors into Kherut's paid, four-phase training after which team members will apply their skills within SAVOR - Great Food. Greater Good our social enterprise food services platform. Our goal is to provide an opportunity for survivors to advance within the organization while acquiring skills and experience that lead to success and independence for the rest of their life.

Try to imagine what it feels like to be a young woman who has spent the last several years on the street after aging out of the foster care system, or a survivor of sex-trafficking or a woman who has spent time in prison and now has a felony on her record, sitting down to fill out an employment application, maybe for the first time, and seeing the words, "List Your Previous Employers".

These words that seem so simple to most and may even carry a badge of honor for our past employment accomplishments, can be triggers for these women trying to move forward with their lives after incredible trauma. Often, they simply tuck the paperwork into their pack, slip out and never go back. And beyond that, the inability to get a good job, often leads them back to their past destructive habits and life circumstances.

In 2019 Kherut launched its social enterprise, SAVOR GREAT FOOD. GREATER GOOD. to offer a unique employment opportunity for these exact women. We partner with organizations already helping these women start fresh to feel safe and supported and now employable, no questions asked. And, even more important, while we do train our team members, and they have skills that allow them to apply for a position with other food service companies, our program is not just a training program to prepare them to find a job. Why is this so important? As these women work to begin anew, almost everything is transitional. Housing, transportation and even employment that understands the incredible challenges they face every day. Our goal is to give them full and part-time, long-term opportunities to learn not only food preparation but skills connected to the industry including food trucks, inventory, food costs, menu preparation, event planning, social media, bookkeeping and more. While every woman starts in the kitchen, that does not have to be their ultimate career destination with Kherut. We ask them to dream about a better future and allow us to help walk into it.

We currently employ 8 women. In December, we signed a lease for our own kitchen / office space in Anaheim and we will be moving in by the middle of May. Once we are officially in our new space, we will be expanding our food services and hiring several more. While not every woman we hire chooses to stay with Kherut, it is our vision that the women we hire today will be those helping Kherut grow tomorrow!

Casa Youth Shelter

Article for Roosters Foundation Monthly Newsletter

Casa Youth Shelter provides emergency temporary shelter for youth in crisis aged 12 to 17. Our residents come from all kinds of backgrounds: they have run away from home, been abused or abandoned, are living on the streets or on the verge of homelessness. Some have never dreamed of a future where they can make a positive impact on the world, and they do not have faith that a good and stable home is possible for them. These are the youth who seek care at Casa Youth Shelter.

In addition to temporary housing, meals, and clothing, the youth we serve take part in individual, group, and family counseling, working with our counselors to stabilize and find the root cause of the crisis they are in. They also work with our case management team, connecting youth and their families to the long-term resources they need. For parents, we offer parenting classes to help them work on their own skills. Our aftercare continues for at least three months after exit, and up to a year, so that youth and their families can continue their counseling and classes as they thrive on their own. Youth and families who are not comfortable in a shelter-setting can come to us for just our individual and family counseling for as long as they need.

Our vision for each and every resident is that they will successfully reunite with their families and build a strong cohesive family unit together with our help. "Our goal is to catch kids when they are struggling through a crisis of some kind," says Executive Director Amy Lakin. "We are always open to help youth with kind words to navigate through the crisis and give them tools to cope with whatever comes their way in the future." In June 2021, Casa Youth Shelter was recognized at Nonprofit of the Year by California Senator Tom Umberg representing District 34, which spans an area that includes Long Beach, Anaheim, and Huntington Beach.

The Accident Injury — Law Center —

Professional, Detail-oriented, and Governed by integrity:

Moses Yneges is the founder of The Accident Injury Law Center, a law office representing plaintiffs in personal injury cases. He never provides defense representation to at-fault parties. Representation is on a contingency fee basis, which means no upfront or hourly fees. Legal fees are collected at the end of the claim, when the other side pays either a settlement or a court ordered amount.

Call Moses to discuss any injuries that resulted from the following types of accidents: semi-trailer truck caused injuries or death, car versus car, any motor vehicle versus pedestrian, any motor vehicle versus motorcycle, dog bite, trip and fall, wrongful death, vehicle roll over, and vehicle seatback failure.

Just because an injury cannot be seen does not mean it is not there. Injuries to the spine and brain can sometimes be difficult to show. Moses has experience with representing clients with internal injuries such as traumatic brain injuries, ongoing pain in the neck that radiates to the arms, ongoing pain the back that radiates to the legs, and post-traumatic stress disorder.
