**ROOSTERS
FOUNDATION**
OF ORANGE COUNTY

President's Message Kirk Adams, President

Fellow Roosters,

It's August...Already! Wow, how time flies!

As I mentioned in my last Note, Gary Draper has taken on the mantle of V.P. For those of you who don't know Gary, he has been a member of Roosters since 1990 and has served in many capacities through the years, including 7 years of previous service as a board member and as our President in 1997. Gary chaired Monte Carlo Night for 8 years, which I'm told netted more than one million dollars for our charities! Gary is looking forward to his second term as 2023 Roosters President.

July was the month of our fourth social and Bill Ross came through again with tickets to the Angels game against Texas on the 29th. Looks like our boys had a bit of a struggle with the Texas team but I'm betting everybody who went had a great time!

August will be our fourth luncheon and Gary Draper has secured Tustin Ranch Golf Club for our venue. Gary will be MC at this month's event as I will be out of town.

Upcoming Events Reminders!

The Wine and Chef's events for the Orange County Food and Wine (OCFWC) celebration are just around the corner. The Wine event will be on the plaza at Segerstrom Center on August 27th! The Chef's event will again be at Old Ranch Country Club on October 23rd. Auction items are still much in need! Bring them on!! IT'S TIME TO BUY YOUR TICKETS TO BOTH EVENTS IF YOU HAVEN'T DONE SO!! These will be fun and entertaining events, perfect for inviting your friends and colleagues. www.OCFWC.com.

Golfing for Kids is scheduled for September 21st at Tijeras Creek Golf Club. Thanks again to Bill Ross, Craig Strenger and the William Ross Family Foundation for putting this together. If you haven't already, please do put that date on your calendars.

As mentioned previously, make sure you save the date of December 17 for the new and improved food box giveaway supporting local O.C. children and families in need. Dan Stone will be providing more information very soon.

As I've said each month, those of you with any free time at all, please step up and get involved. All our events, and event coordinators, can use an extra hand. Roosters, let's get to work!!

Advance! On to College provides equity of access to college for historically under-served and under-represented families to enable them to participate in the dream and the promise of a college education. During 2021 and so far in 2022 **Advance! On to College** has accomplished the following tasks.

COVID has allowed Advance! to operate on **two tracks**: counseling and advising students and parents in the office as well as on-line.

Advance helped **398** students one-on-one in the Advance office with their college admissions applications and another **480** on-line. Advance hired two additional staff to handle the on-line appointments. All students served by Advance! were accepted to college.

Advance is not without vision and created and conducted **121** out-of-office workshops in schools and other facilities throughout north Orange County, attended by a total of **1,998** parents and students. These are held in both the English and Spanish languages.

Advance initiated and created on-line videos about college preparation that can be watched via computer over the internet facilitating more flexibility and accessibility to their resources.

Advance awarded **51** college scholarships to graduating seniors from high schools in La Habra, Buena Park, Fullerton, Anaheim, and Santa Ana. (All scholarship monies are donated, i.e., none come out of Advance's operational budget). Some scholarships are awarded to students already in college to help them stay in college.

Advance keeps on growing and continues to provide educational and financial support to students who are interested in college and have limited resources including college counseling.

There are multiple Rooster volunteer opportunities with Bracken's Kitchen, so contact Dan Stone to get more information and sign up for a shift.

Bracken's Kitchen is having their annual gala, Hungry Games 5.0, on Thursday, September 8th.

Several Roosters attended and supported previous Hungry Games and we're looking for another good showing for Roosters and their guests this year.

Yours truly will be tending bar again and I have a wobbly hand, so attendees can expect overfilled wine glasses... 😊

Thanks. Doug Richards

Charity Committee

Earlier this year, there were only three Advocates for the charities for whom we have provided grants. Today all 31 charities have Advocates, and, in some cases, there is more than one Advocate. Thank you to Roosters members who have accepted the role of Charity Advocate!

The Advocates have submitted 31 charity grant requests, which are currently being assessed by the Charity Sub-Committee. This committee was formed by five volunteers plus me to accept the task of reviewing all of the grant applications and preparing a report for the Roosters Grant Review Committee. The latter is comprised of the President, V.P., Immediate Past President, Chair Person from each major Roosters event, and three non-board Roosters members. My responsibility is to chair the committee in a non-voting capacity and only vote in case of a tie. The Grant Review committee makes the final recommendations about how much grant money to award each charity applicant, and submits it to the Roosters Board of Directors for final approval.

John Hinson

As Charity Committee Chair Person this year, I have sought to stay focused on the Roosters mission statement outlined in the Procedures Guide as we review the charities grant requests. Namely, our focus is to provide grants to at-risk and abused children under the age of 18. There has always been debate on the Charity Committee and Grant Review Committee as to how literally we want to consider that statement. During a recent sub-committee meeting, we concluded it is important to broaden the definition a bit to include families of at-risk and abused children as long as there is a direct correlation to the adult family members supporting the children under 18. Afterall, if the family is hurting, it can be tougher to support the kids.

The sub-committee is in the final stages of its review process. I am looking for two non-board Roosters members that would be interested in participating in the Grant Review Committee. (I already have one person who has agreed to be on this committee). If you would like to be considered for this important role, please contact me at LJHIV@sbcbglobal.net or 714.425.6407.

What is Myasthenia Gravis (MG)?

The Myasthenia Gravis Foundation of America (MGFA) was founded in 1952 and is the world's most recognized non-profit organization in the field of Myasthenia Gravis. They are the leader in convening funding of research and patient programs for those afflicted with MG.

Myasthenia gravis comes from the Greek and Latin words meaning "grave muscular weakness." The most common form of MG is a chronic autoimmune neuromuscular disorder that is characterized by fluctuating weakness of the voluntary muscle groups. MG affects men, women, and children at any age. Symptoms can be mild or severe, and may vary considerably from one person to another. The disease can affect the ability to speak, use arms and legs, swallow and at its worst, even to breathe. Today, there are treatments, but presently no known cure.

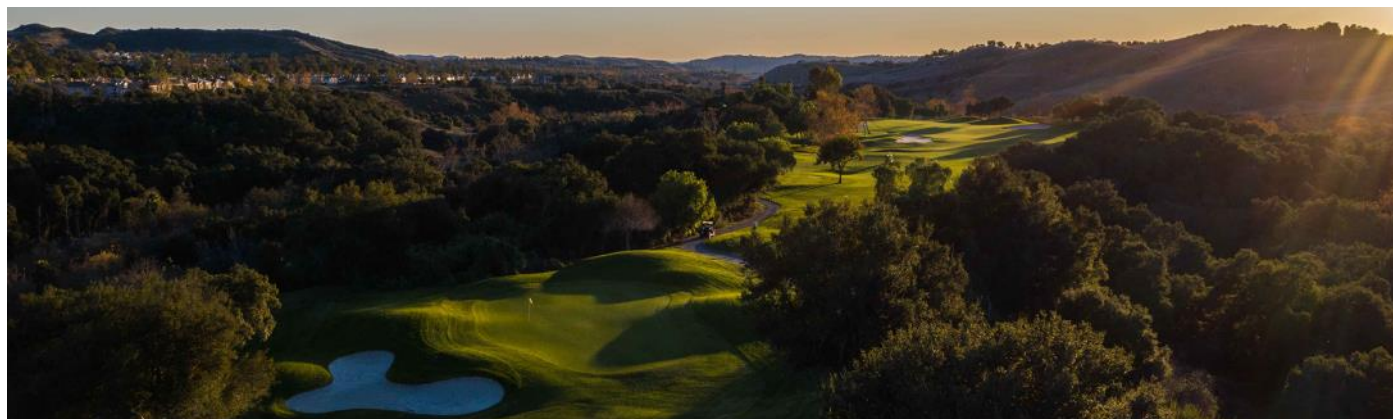

What is the Roosters Foundation?

The Roosters Foundation is a charity and social organization, consisting of many professional people from diverse backgrounds, from the greater Orange County area of Southern California. Each year, we raise hundreds of thousands of dollars for disadvantaged children. The revenue from fundraisers supports the donations that Roosters make to Orange County children's charities. These charities are generally small organizations that provide all kinds of services to children. Food, counselling, mentoring, tutoring, music lessons and more. The children of Orange County who have the least, are enriched by the organizations that Roosters support.

What an incredible Roosters Social we had on 8-29-22!

This game was epic! It was a battle royale to the end, and The Roosters were there to enjoy the excitement. A three run homer by Ohtani, and the return of David Fletcher who had a number of great plays at second base and hit a two run double, made it an exceptional game.

Final score was 9-7 Angels. A real nail biter for sure. The fireworks afterward were amazing!

An outstanding evening was had by all.

Roosters Announce Largest Wine and Spirits Tasting in OC

Submitted by Pat McAuley and Gary Draper
Photos by Bleu Cotton Photography, www.bleucotton.com

Taking the lead in wine-tasting and spirits public events, The Roosters Foundation of Orange County will host its largest wine tasting yet, with nearly 40 wineries and spirits pouring to ensure a wide variety of the best of California's vintners and distilleries. An expected crowd of more than 600 guests will be sipping, sampling, savoring, and discovering new personal favorites.

The food and wine celebration will be held Saturday, August 27, from 3 to 6 p.m. at the Argyros Plaza, adjacent to the Segerstrom Performing Arts Center (located at 600 Town Center Dr., in Costa Mesa). The event will include lots of food and desserts, together with a large selection of silent auction items to bid on.

The Public Is Invited

General admission is \$120 per person with a VIP option: one hour early admission for an additional \$20. Both admissions include a keepsake wineglass. Admission for designated drivers is just \$40 and includes food only. To purchase tickets, visit www.ocfwc.com.

Based in Irvine, California, the Roosters Foundation is a 501 (c) 3 IRS-registered charitable organization of men and women. It has been active in Orange County since its inception in 1977.

This event helps support grants to 30 local Orange County charities benefitting disadvantaged and at-risk children. Every quarter throughout the year, we combine efforts and donate our time to prepare and deliver meals through food pantries to feed thousands of local low income and needy families. Over the past 45 years, it has been our mission to help mold and change the lives of thousands of at-risk children. Your support of these efforts is greatly appreciated.
