**ROOSTERS
FOUNDATION**
OF ORANGE COUNTY

President's Message Kirk Adams, President

Fellow Roosters,

First, I'd like to extend a fond farewell to Jeff Smith who recently lost his well fought battle with cancer. Please see page four to read the note prepared by Craig Strenger, who knew Jeff well. Jeff was a Rooster extraordinaire.

Next, because I'm late getting this message out, I get to mention that, although there were concerns about the turnout for the Golfing for Kids event, attendance was also quite good! Penny Strenger informed me that approximately 70 golfers came to enjoy the beautiful day on the links at the Tijeras Creek Golf Course. Thanks again to Bill Ross and Craig Strenger for putting this event together, and special thanks to all those who helped make it happen.

Additional thanks to Bill and Elaine Ross for providing the Bloody Mary Bar, to The Wine Guy and Wine Gal for wine tasting at the 10th hole, to Fitness Chiropractic for working out the kinks at the 13th hole and to Big B's Barbeque for providing lunch before things got started.

Another hearty Well Done!

Lastly, The OCFWC Chef's Experience is right around the corner, October 23rd to be exact, so if you don't already have your seat for this great event you'd better get cracking. It promises to be another amazing evening of wine, cuisine and, of course, support for the very important work that the Roosters organization does for OC charities.

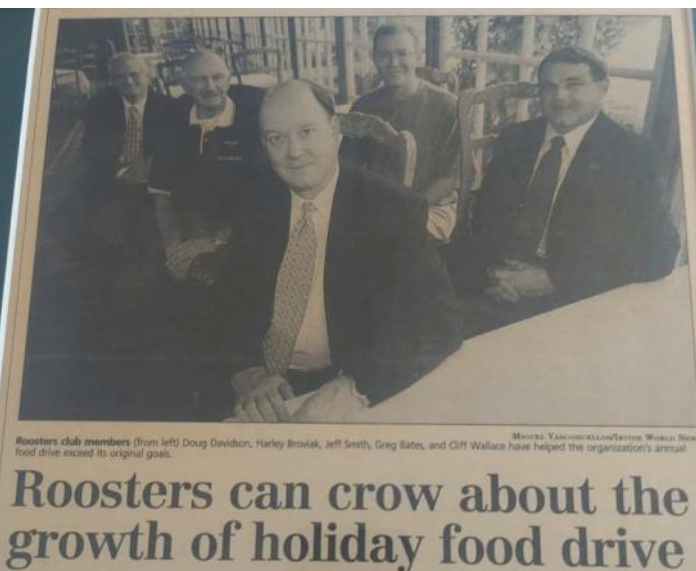

So, with that, I'll wind this up and, as I've asked in each note, please step up and be a part of the great work the organization does. I'm certain many of you may feel that you have already done your part. But this organization is less about what was done or achieved in the past and more about doing and continuing to do even greater achievements in the future.

Fellow Roosters, if our organization is going to stay relevant, we all must participate and stay involved!

Roosters, let's get to work!!

Kirk Adams

2022 President, Roosters Foundation & Roosters Inc.

Happy Trails Jeff, we will miss you!

Next, the OCFWC Wine Event! Wow, the venue was fantastic and the turnout was quite good. The Event Team did make note of some areas where improvements might be made, but overall most everyone felt it was a huge success.

Here is a note from Joann Leatherby:
Saturday, August 27 was a beautiful day on the Plaza at the Segerstrom Center for the Arts. Guests, vendors and volunteers all enjoyed the spacious venue, sipping wonderful wine and spirits, munching delicious food like Gus' Spicy Fried Chicken at The Roosters 2022 Wine Celebration. More than 30 wineries participated. An expanded Silent auction brought in more revenue than ever. Planning an event for a new venue is never easy. Our layout worked well but will be improved next year, hopefully back on the Plaza, as everyone enjoyed it!

Thank you to the entire OCFWC team! Well done!

Dan Stone, Chair

Message from the heart of Jeff Smith:

I had the honor of spending a few days with Jeff just prior to his passing on September 9.

We were able to talk about so many different things; our travels together, our golf together, our families, and of course, he talked about the Roosters.

He was so proud to be part of an organization that did so many good things for so many worthy people that needed somebody to champion for their cause. Of course, his pride and joy, and what he was most proud of was the food drive that provided needed holiday meals for so many families in need in Orange County. With the food drive the Roosters, under Jeff's leadership, saved so many children from hunger and abuse, and provided the love and comfort of knowing that they would be fed through the holidays.

Jeff wanted me to convey to his Roosters family to never give up the fight to help children in need. He wants to be remembered by all of you with a smile on your face and a good thought in your heart. He didn't want anybody to be sad. He wanted each and every one of you to celebrate his life, whether you're on a golf course, or having a glass of wine or a cigar.

It is truly my honor to pass on Jeff's last thoughts to the Roosters.

Craig Strenger

Charity Committee

The Roosters Charity Sub-Committee had its fourth and final meeting on September 6. The committee consists of Libby Adams, Lou Gardner, Jill Rauen, Doug Richards, Paul Robidoux and me. Our purpose was to review all of the grant documentation submitted by the charities requesting grants. There are 31 in all.

Each committee member was assigned five charities to review and then shared that information with the committee. As a group we discussed each members findings and evaluated the mission of the charity in relation to the Roosters own criteria for providing grants. Namely, Orange County based charities serving at-risk kids.

Our end product is a report for the Grant Review Committee (GRC) to help them determine the amount of money to grant each charity applicant. The GRC is led by the Charity Chair as a non-voting member and consists of the President, Vice President, Immediate Past President, Chair of an event (Chefs event, etc.) and three Roosters members not on the Board of Directors. The GRC will be meeting in the next couple of weeks. Stay tuned...

South County Golf Classic Golf Tournament Benefits Two Important Charities

On Wednesday, September 21st, 70 golfers came out to support The South County Classic, at Tijeras Creek Golf Club.

The William Ross Family Foundation presented this fabulous event, benefitting the Roosters Foundation of Orange County and The Myasthenia Gravis Foundation of America. The sun was shining and a beautiful breeze welcomed us on this gorgeous golf course, where \$20,000 was raised and split between the two impactful charities.

This Scramble format event included on-course competitions, BIG BOARD RAFFLE opportunities, drinks and treats throughout the day, as well as a dinner complete with awards.

Craig Strenger and Bill Ross... (Fun Fact: Our event was only the second one which the stunning 1953 truck from Big B's has been at... it was just refurbished, as owner Brian found it at his cousins barn, rusted out, in Montana! What an honor!)

Many thanks go to the Sponsors and Volunteers of the afternoon, including Bill and Elaine Ross for providing the Bloody Mary Bar, The Wine Guy and Wine Gal for wine tasting at the 10th hole, Fitness Chiropractic for working out the kinks at the 13th hole, and Brian of Big B's Barbeque for providing lunch before things got started.

Bill Elaine Ross, thank you for the tasty Bloody Marys!

Thank you to Craig and Penny Strenger for putting the event together with Bill Ross, and of course, Mike McChristie, Director of Sales, at Tijeras Creek Golf Club for the top-notch location!

2022 Wine Celebration

On Saturday, August 27th we had a beautiful day on the Argyros Plaza at the Segerstrom Center for the Arts. Guests, vendors, and volunteers all enjoyed the spacious new venue for the Wine Celebration.

The Orange County Food and Wine Celebration started off the year with new co-chairs; Joann Leatherby, Pat McAuley, and Jen Moriarty. These ladies stepped up to head the 2022 events to create a committee-based team to lead the Roosters to another successful fundraising year. Joann and Pat, with numerous events and galas under their belts, provided expertise to newcomer Jen Moriarty along with the unparalleled guidance of Penny Strenger. Penny kept the crew informed and on track with all of the nuances of running the Roosters' largest fundraiser. We couldn't have done it without key committee members John Trapani, Greg Bates, and Bill Ross.

We started the process in January by looking for another venue due to the changes at Old Ranch Country Club. The committee worked hard in advance to create an extraordinary event to raise money for our numerous charities.

John Trapani headed up winery and spirits procurement with his group of volunteers. Greg Bates concentrated on the "floor plan" taking numerous meetings with the head event staff at

Segerstrom to determine the necessary space, specific requirements, and organization of all vendors. In addition, he took care of last minute troubleshooting to ensure the Wine Celebration came off without a hitch. Bill Ross helped with venue choice, spirits procurement and publications for advertisement prior to the event. Their contributions to the process were numerous!

Many Roosters really came through providing auction items, volunteering to call wineries and spirits, assist day of, and bake or provide desserts for our delicious Dessert Fantasia.

We couldn't have done it without our Marty Golden and his team of "Ice Men," - the Ice Team included:

Jim Holden - One of our charities - Fish for Life
Tyler Wilde - One of our charities - Fish for Life
Christian Esteban - One of our charities - Joya Scholars
Scott Zimmerman - Rooster

Also, Jill Rauen taking care of the rentals, Stephanie Bauer and Paul Robidoux for the auction set up and organization, Jon Giberson for helping secure spirits and printing out the Roosters Organization pamphlet, Anna Draper, Scotty Giberson, Dana Boardman, and Maggie

Hinson for organizing and/or monitoring the dessert tables at the event, and Gary Draper for helping write the article for the local publications.

We truly appreciate our vendors: 37 wineries, 11 different spirits/beer/hard seltzer, and 9 food vendors: Bracken's Kitchen, Above All Catering, Imuraya USA, Inc, Descanso- A Modern Taqueria, Kherut (Savor), Imperia Caviar, LLC, Gus's World Famous Hot & Spicy Fried Chicken, and food donations from Old Ranch Country Club (3 cheese platters), and Byblos Mediterranean Grill (hummus and pita bread). We wouldn't have this event without all of them!

In addition, an expanded silent auction brought in more revenue than ever! Planning an event for a new venue is never easy. Our layout worked well, but will be improved next year, hopefully back on the Plaza, as everyone enjoyed it!

Proposed New Rooster Member – Larry Greene (Sponsor: Dan Stone)

Larry Greene is a Business Strategist and Executive Coach. Through his company, Mercury Leadership, he facilitates peer advisory groups and coaches executives from private and public companies. He has also sat on Corporate Boards for several local companies.

For many years he has worked inside closely held businesses creating and executing business strategy. His favorite clients are multigenerational family-owned businesses. It is very satisfying to help the generations work together to grow the business to ensure its existence far into the future.

Prior to his current path, Larry founded and operated a business brokerage and M&A firm for many years. This experience and his passion for all things business related lead him to his current career.

When he is not working, Larry can be found in his garage tinkering with one of his cars at his home in North Tustin, playing tennis or at the beach playing volleyball, another passion of the past 15 years.

In the past, I have worked with the Orange County Rescue Mission. It has been some time so I decided to find another cause where I could give back to my community. I was introduced to Roosters Foundation by Dan Stone. After attending a social event and luncheon and meeting many friendly, like minded people, I decided to submit my application. I hope to see you all at another Roosters event soon.

Summer Harvest

During the school year, thousands of students in Orange County rely on their schools for daily meals and essential nutrition. During the summer months, however, these children are often left without enough food. Summer Harvest, a nonprofit organization run 100% by volunteers, is stepping in to help.

For many families in the Los Alamitos Unified School District, summer can be filled with stress as 1,450 children in the district can be at risk for food insecurity. Food insecurity, the lack of enough healthy food, is an issue in every community. To meet this need, Summer Harvest was developed with a clear vision to eliminate food insecurity for school-aged children in affluent communities where children do not qualify for federal summer food programs and other programs.

As a 100% volunteer-based 501(c)3, their mission is to provide healthy meals to families with children on the federal lunch program, during the summer and winter holiday breaks from school. Summer Harvest

distributes groceries including non-perishable items, fresh fruits and vegetables, easy to follow recipes and demonstrations. Roosters Foundation through its grants provides key funding to support this critical mission.

If you would like to additionally sponsor a family, a donation of \$125 will provide groceries including non-perishable items, fresh fruits and vegetables, and easy to follow recipes for the summer. <https://secure.givelively.org/donate/summer-harvest-food-for-kids-inc>
