President's Message Gary Draper, President

May I introduce myself as your new President for 2023? I know many of you, but not all, as I have not been really active since I retired.

During that time in 2016, I wrote a book that no one read. I had a reviewer read it who gave me many suggestions to improve the book, but I didn't have the energy to do it, and just relaxed until this year when I began coming to Board Meetings this year. Our Vice President had a conflict early on and couldn't continue to serve, and the position was vacant for months.

In August, I jumped in to volunteer to be Vice President and the Board approved. So, for the past three months, I have jumped in with both feet and I am now a full-time volunteer for Roosters and available to speak with you almost any time.

I want everyone to know what I hope to achieve this year: First, I hope to move our luncheons to a better place, centrally located, closer to South Coast Plaza. Vice President, Stan Smith and I have recommended two locations for our lunches, the Avenue of the Arts Hotel for six lunches, and six at Prego's. That way everyone can see and compare. So, please contact me with your comments. You can see what dates we are scheduled for and where, on page 2.

Second, I hope to have the best speakers possible to make our lunches attractive for you and any possible new member. January's speaker will be Bill Hoffman of Hoffy Tours. He will discuss our upcoming tour of downtown L.A. and the San Antonio winery in that area, which is the oldest winery in Los Angeles. The tour will be on January 28th.

Third, I promise to get our Crow Newsletter emailed to you by the first of the month to make our calendar more meaningful. Further, I met with Alison Cotton, our new communications/PR Chair, and Peter Smith, our Crow editor, and we discussed several ways to improve the Crow.

We are going to begin contacting celebrities and professional Athletes who live in Orange County for their support. I want to begin a monthly ongoing fundraising drive via email, guided by OneOC and the Professional Fundraisers Association. I also want to begin recruiting Auction items again, as we received 51 auction items from doing so in 2019.

I hope to do something that the old 20-30 club did that was so popular that the entire club came out to cook hamburgers and hotdogs for kids from either Boys and Girls clubs or kids from the nearly 30 charities we support.

Lastly, I want to have socials at some of the larger homes of our charities and at several museums around the county. Please send any suggestions you may have that can make Roosters the best that it can be.

The bottom line is that I want us to all do well for our kids and have a lot of fun doing it.

Let's all have a great year!
Gary Draper
2023 President, Roosters & Roosters Foundation

Vice President's Message Stan Smith

Thanks to the Roosters who voted me in as your Vice President. Being a member since May of 2009, the Roosters already know me and understand that I have the "double whammy" personality of being both goal and task oriented. My main goal this year is to get 30-40 members attending our monthly luncheons with great speakers from Joann Leatherby, and having each Rooster know each other. As one can see, I will need the help of every Rooster to accomplish both goals and tasks.

If one looks at page two of our Roosters Crow, all of the dates will be listed as well as where the current luncheon, social, and special events will take place. Please make your personal and business plans around the Luncheons, Socials and Special Events.

I'm looking forward to meeting all of the Ambassadors and new members at each Rooster gathering.

Members – If you have emails to send to the Roosters Membership, please contact our Communications Director, Alison Cotton, to assist you with your needs. Please refrain from sending group emails from your individual accounts. Thank you in advance.

Annual Holiday Meals Giveaway a Success! The Roosters Foundation Provides 27,000 Meals to OC Residents for the Holidays

The Roosters Foundation of Orange County continued their traditional Annual Holiday Meals Giveaway on Saturday, December 17th at the OC Food Bank in Garden Grove, CA.

47 Rooster Foundation members and friends gathered in the early morning to commence building and filling 1000 boxes with 19 food items including 2 canned hams. These boxes were picked up by ten different organizations including H.O.P.E., Miracles for Kids, Boys and Girls Club of Tustin, and Summer Harvest Food for Kids.

A special thanks goes to Dan Stone, Roosters member and Feed OC Chairman for his leadership and

expertise. With the assistance of Past President Paul Robidoux and previous Food Drive Chairman Jon Giberson, the hard work in re-starting, planning, organizing, and executing this event made it a true success.

Troy McAlpin of the Family Assistance Ministries was thankful for the additional food this year. "We distributed the meal boxes at our Christmas food/gift distribution. Food is tighter and tighter these days, so it was much appreciated."

The boxes, valued at \$25 each, totaling \$25,000, were funded by the Roosters Foundation with money raised through donations and their three major yearly events: The Chefs Experience, The Wine

Celebration, and Golfing for Kids. These fundraisers are in early planning stages for 2023.

Thank you goes out to all of the Rooster member volunteers, their families and friends. It is always a team effort and everyone's assistance is appreciated. Also, thanks goes out to the OC Food Bank Director Mark Lowry, Tracey Chuor (Donor Relations Coordinator), and Ramiro Deloza (Sr. Warehouse Manager). In January, The Roosters look forward to reconnecting with OC Food Bank to review ways to improve it for the 2023 event!

January is National Slavery & Human Trafficking Prevention Month.

Imagine cooking for and managing a successful non-profit the first half of every day, then hopping on a bike to complete the next segment of a grueling 1200-mile total ride-a-thon.

Well, that's exactly what our founder in chef, Yves Masquefa, will do, starting the first of January.

Not only is Yves an award-winning, world-class chef and humanitarian, but he's also willing to get sore sitting on a bike saddle for 31 days to raise money for Kherut and help those most in need. So while many of us will likely have sampled too much holiday fare, Yves will be burning the calories for a great cause—as some of us feel guilty about unused gym memberships and New Year's resolutions.

PLUS, you'll be able to witness Yves' pain every step of the way with regular social updates.

"I'm going to ride every day, rain or shine because human trafficking and slavery never take a day off."

Charity Committee

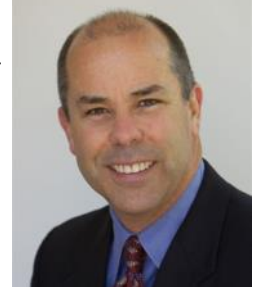

Jill Caron-Rauen
Charity Chair, 2003

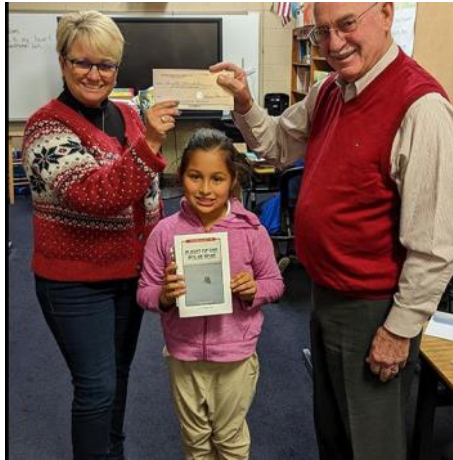

On December 10th Roosters held its annual Holiday Brunch at the Avenue of the Arts Hotel in Costa Mesa. As part of the festivities, we delivered checks to Roosters Charity Advocates. In turn, the Advocates will give the checks to their respective charities. This is a culmination of the year's long work of the fund raising and due diligent efforts of Roosters members.

It has been rewarding to serve as the Charity Chair for 2022. Jill Caron-Rauen will take over the position as Charity Chair in 2023, and I am confident the Charity Committee will thrive with Jill's leadership.

John Hinson

"This is Justine Palmore, the executive director of Stand Up for Kids, Orange County Chapter and myself when I delivered the check. I got to meet the whole staff, and they thank the Roosters very much!" - Rooster Jill Caron-Rauen

"Thank you to the The Roosters Foundation of Orange County for their generous support of Parentis Foundation's intergenerational academic intervention program. Parentis Foundation's volunteer tutors provide students with one-on-one literacy tutoring and mentoring services for an entire school year, helping to foster social/emotional and academic growth

"The Rooster foundation's support has increased our capacity to serve families with canned hams, staple foods and generous grants, as we continue providing daily services year round to the most vulnerable children in Orange County, and their families. Our families have always been very grateful, and feel loved and appreciated. Children also have access to enrichment and basic needs care.

The Rooster's Foundation makes a great impact on our service levels, and have supported H.O.P.E. for 15 years, turning "despair into hope." on the faces of children and their families."

Attention All Vietnam Vets

By Gary Draper

If you or anyone you know has served in the armed services and served in Vietnam, you may be eligible for extremely attractive monetary benefits, (up to \$3,000 per month). Agent Orange (dioxin) was used in Vietnam to kill plants and remove leaves from trees, which hid the enemy. Agent Orange has been found to cause some illnesses.

These include:

- AL Amyloidosis - A rare disease caused when an abnormal protein, amyloid, enters tissue or organs.
- Chloracne (or similar Acneform Disease) - A skin condition that occurs soon after exposure to chemicals and looks like common forms of acne seen in teenagers.
- Chronic B-cell Leukemias - A type of cancer which affects white blood cells.
- Type 2 Diabetes - Elevated blood sugars.
- Hodgkin's Disease - A malignant lymphoma (cancer) characterized by increasing swelling of the lymph nodes, liver, and spleen and by increasing anemia.
- Ischemic Heart Disease - Reduced supply of blood to the heart, that leads to chest pain.
- Multiple myeloma - A cancer of plasma cells, a type of white blood cell in bone marrow.
- Non-Hodgkin's Lymphoma - A group of cancers that affect the lymph glands and other lymphatic tissue.
- Parkinson's Disease - A disorder of the nervous system that affects muscle movement. It gets worse with time.
- Peripheral Neuropathy; Early Onset - A nervous system condition that causes numbness, tingling, and motor weakness.
- Porphyra Cutanea Tarda - Liver not functioning well, with thinning and blistering of the skin in sun-exposed areas.
- Prostate Cancer - Cancer of the prostate; one of the most common cancers among men.
- Respiratory Cancers - Cancers of the lung, larynx, trachea, and bronchus.
- Soft Tissue Sarcoma (not Osteosarcoma, Chondrosarcoma, Kaposi's sarcoma, or Mesothelioma - A group of different types of cancers in body tissues such as muscle, fat, blood and lymph vessels, and connective tissues.
- VA Presumes Amyotrophic Lateral Sclerosis (ALS Lou Gehrig's Disease - Diagnosed in all Veterans with 90 days or more continuous active military service and is related to their service).

If you were exposed to Agent Orange, you may sign up with the Agent Orange Registry and have a free health exam. It includes a history and physical exam, blood and urine tests and may include a chest x-ray. Service-connection disability may be given based on the link with Agent Orange (or other herbicides used in Vietnam). Surviving spouses, dependent children and dependent parents of Veterans who were exposed to Agent Orange and died as the result of diseases related to Agent Orange exposure may be eligible for survivors' benefits.

You may sign up at www.va.gov.agentorange or call the Agent Orange Registrar at the VA in Long Beach, 562-826-8000 ext. 2862. In addition, you may contact County Operations Center, Veterans Service Office, located at 1300 S. Grand Ave. Bldg "B" Room 247, Santa Ana, 714-480-6555.

Charitable Donations - By Gary Draper

You can deduct donations you make to qualified charities. This can reduce your taxable income, but to claim the donations, you have to itemize your deductions. Claim your charitable donations on Form 1040, Schedule A. You May also deduct mileage while performing volunteer work at \$0.17 per mile and you must document each trip. There are no deductions for your volunteer work. Your donations must go to an organization that's one of these:

Nonprofit charitable group, often referred to as 501(c)(3) organizations. Donations you give directly to needy individuals don't count.

Money donations that you make directly to a nonprofit organization. You'll use one of these payment methods:

- Cash
- Check
- Credit card, both one-time or monthly donations
- Debit card
- Automatic withdrawals from your bank account

If you accept something in return for your gift, you can't write off the full amount. Example: A local public television station offers a CD player for a \$1,000 donation to its annual fund drive. If the CD player's value is \$200, your deduction is limited to \$800 — the difference between what you gave and what you got. You can claim the full charitable deduction only if you refuse the CD player.

There are more rules for large donations. Contact your accountant or CPA.
