President's Message

Lou Gardner

2025 President, Roosters & Roosters Foundation

Dear Roosters,

This summer started out with a great social at John and Maggy Hinson's residence. Their hospitality in opening up their home to the Roosters was something to remember for many years to come. The main entrée came from Gus's Chicken, an establishment who have been a part of our Food and Wine Celebration for many years. We also had the opportunity to share appetizers, side dishes and desserts provided by our Rooster members. Members also brought their favorite wine to share.

It is events like this that remind me of the special blessing we all have in being part of the Roosters. From our group of veteran Roosters to those who have recently joined us, the conversations and laughter was fun to witness.

We also honored our Ambassadors who have become Roosters over the past three years. Several of them have become very active and even became board members, Like Rob Ward, Davi Wilson, Jessie Bullis, Garison Draper and Larry Greene.

We plan on having additional "home" socials in the future. If interested in hosting a social, please contact Joann Leatherby. The Chef's event is upon us. September 28 th is the date. We still need chefs. If you have a relationship with a restaurant and their chef, please discuss with Joann Leatherby or Pat McAuley. If you are interested in purchasing a table, review our website on how to do that.

Auction items are always the key to our success in raising funds for our charities. If you have a time share or a second home you would be willing to give a weekend stay, please reach out to Penny Strenger, Joann Leatherby or Pat McAuley as they can be very helpful in helping you set this kind of auction item up. Vintage wine and spirits are always a welcomed auction item.

I trust everyone will have a great summer. I hope your summer vacation plans prove to be exciting and memorable. Please remember though, September 28 th is closer than you think, and as a reminder from my message last month, all hands on deck is needed in making our Chef Event the most successful ever.

Thank you, fellow Roosters!

Red, White & Roosters! A Summer of Fellowship, Patriotism, and Purpose

Summer is in full swing—and the Roosters are already making the most of it! We kicked off the season with a spectacular June 19th Summer Social, a special Ambassador celebration led by our outstanding Ambassador Director, Davi Wilson. Held at the beautiful home of John and Maggie Hinson, the event was a warm, welcoming evening filled with Rooster spirit.

With Gus's World Famous Fried Chicken and an impressive spread of fine wines generously brought by our members, the night was a hit! We were thrilled to have a full house—including several new and prospective Rooster members. The energy, the conversations, and the shared sense of purpose were a powerful reminder of why this organization means so much to us all.

As we celebrate the patriotic holidays of summer and enjoy time with family and friends, let's also remember: this is an ideal time to invite new members into the fold. Every Rooster plays a role in growing our impact. Know someone who shares our heart for service and fun? Bring them to a social, a luncheon, or even just a coffee chat. There's never been a better time to join the flock.

What's Coming Up:

Flash Mobs & Socials – Watch your inbox! Our impromptu gatherings are back, helping us support partner chefs and deepen connections.

Roosters on the Road – Vacationing this summer? Snap a photo in your Roosters gear and tag us online. Let's see how far the Rooster spirit flies!

Chef's Experience – Sept 28 – We're building momentum. Still need chefs, sponsors, and auction items. Contact Joann Leatherby or Pat McAuley to get involved.

Thank you for making the Roosters such a vibrant, impactful community. Here's to a summer filled with laughter, liberty, and lifelong friendships.

With gratitude,

Larry Greene

Speaker's Corner

We had a wonderful dinner gathering on June 12th at Pregos. We visited, enjoyed amazing food by Chef Ugo, and we were inspired by Rooster Member Jeramy Gordon as he spoke about his newly published book, "The Power of 10".

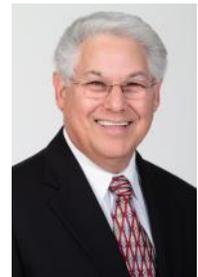

We will be going dark in July, to give you time to travel and enjoy the summer, but after that we look forward to some more fun speakers to come during the second half of the year, such as:

August 14th speaker: Dr. Richard Shuldiner

There will be 2 short talks totaling about 15 minutes:

- 1: Macular Degeneration: Everything you NEVER wanted to know!
- 2: Low Vision Care: Helping Macular Degeneration (& other vision loss conditions) to see and function.

Dr. Richard Shuldiner is a pioneer in low vision care and a passionate mentor to optometrists around the world. He founded The Shuldiner Low Vision Training Institute and serves as President of the International Academy of Low Vision Specialists. He has trained more than 100 optometrists to provide life-changing care across the United States, Canada, Mexico, South Africa, Israel and Indonesia.

After earning his Doctor of Optometry degree in 1970 from the Pennsylvania College of Optometry, Dr. Shuldiner led a successful private practice in New York and served as Clinical Director of the New York Lighthouse Upstate Clinics. Since 1994, he has maintained a low-vision-only practice in California.

A Diplomate in Low Vision from the American Academy of Optometry, Dr. Shuldiner is recognized internationally for his clinical excellence, leadership, and commitment to restoring independence for those with vision impairment. He's led workshops across six continents, served as Chief Clinical Editor of Managing Low Vision, and was President of the Rialto Lions Club, on the board of San Bernardino Lighthouse, and the American Diabetes Association.

Dr. Shuldiner has lectured to eye care professionals in Russia, Ukraine, Belarus, China, Israel, Canada and throughout the USA. He has appeared on numerous television and radio programs.

Dr. Shuldiner's work stands as a model of service in action—empowering patients, inspiring professionals, and proving that vision loss does not mean life loss.
